Our Acknowledgement

Novo Education Space acknowledges the traditional custodians of the lands on which we work and learn. We pay our respects to Elders past, present and future. We are committed to creating safe and welcoming learning centres for First Nations people to flourish and grow as future community leaders.

Becoming a Head of Campus

Thank you for your interest in joining Novo Education Space as the Head of Campus - Shoalhaven.

This is an exciting time to be joining Novo Education Space. In the last few years we have worked hard to position ourselves and our students for the future, clarifying our purpose and strengthening our teams in alignment with our purpose, values and charter.

Natasha Osmond-Dreyer

We are re-imagining learning spaces in which our students are in the driver's seat of their life, and our educators and wellbeing staff co-create each student's unique learning journey with them, to achieve the student's own self-determined goals.

Novo Education Space is a registration only school, meaning our students follow the NSW Education Standards (NESA) curriculum, but are not entered for the NESA credentials of Record of Student Achievement and the Higher School Certificate. This affords us the freedom to create meaningful and engaging teaching and learning programs across Key Learning Areas that are not driven by rigid assessment schedules, examinations and trying to cover extraordinary amounts of mandatory content. Our programs are accredited by the international body ASDAN. Our students focus on building portfolios to demonstrate the skills and knowledge they have acquired through their learning experiences. We focus on real-world skills that young people need to have for a productive future and to become positive contributors to their communities. Students can work towards Bronze, Silver and Gold certificates awarded by ASDAN and can also receive micro-credentials for short courses completed. We pro-actively support them to take their next steps into further education, training or employment.

If you like what you read and think you can contribute to the next stage of Novo Education Space, I warmly invite you to express your interest in the satisfying and rewarding role of Head of Campus - Shoalhaven with Novo Education Space. Come and join us ... we are all on a learning journey together.

Natasha Osmond-Dreyer
CEO WEA Illawarra
Principal Novo Education Space

Who are we?

Novo Education Space is an independent Special Assistance School for Years 9 to 12, registered with the NSW Education Standards Authority. Novo Education Space is operated by WEA Illawarra, a not-for-profit Registered Training Organisation (RTO) and registered charity.

At Novo Education Space we provide opportunities which create capable, confident and self-assured young people who are connected to their community and able to forge a path to a productive future. Our purpose is to achieve empowerment through learner-centred education and learning.

Many students at Novo Education Space have experienced trauma as a result of adverse childhood experiences. Our students may have significant gaps in academic achievement and find it difficult to learn in a large group setting, while sometimes presenting with social-emotional challenges in the school environment. They require additional planning, support and adjustments to access their learning.

We utilise the Berry Street model of trauma-sensitive, positive education, which encompasses a structured vision of wellbeing in the school community with case management support for each student. Our relationship practice is grounded in high expectations balanced with support and unconditional positive regard for our students.

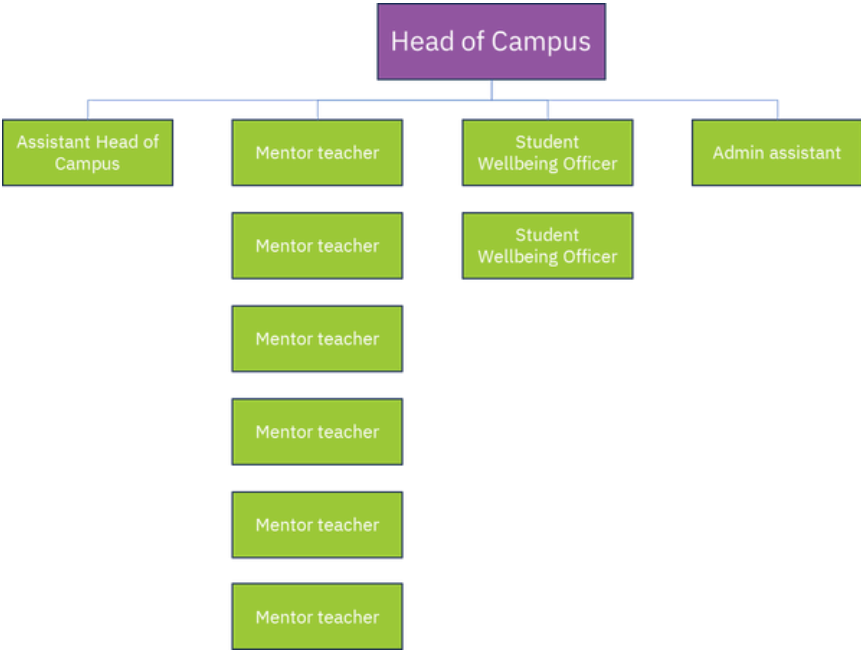

The Novo Team

At the core of Novo Education Space are teachers who work collaboratively in teams to deliver student-centred learning opportunities for young people experiencing educational disadvantage. Alongside our teachers, are Student Wellbeing Officers who work with students to proactively build skills that enable students to lead more successful and fulfilling lives.

Our senior executive includes our CEO who is also the Principal of Novo Education Space, and our Deputy Principal, Leader of Health and Wellbeing, Wollongong Head of Campus, Shoalhaven Head of Campus, Manager Governance, Risk and Compliance, Manager People and Culture and Senior Administration Officer.

The Board of WEA Illawarra is the governing body for the school. As an Independent Special Assistance School, you might find that roles and responsibilities vary slightly from that of mainstream education. This is because we are constantly innovating to ensure our systems and roles directly meet the needs of our young people. It’s exciting and fulfilling to be able to work deeply to meet the needs of our students. Our staff are creative, resilient, adaptable, brave learning high performers.
